Thank you for considering TCR Event Management to partner with for your event. In order for us to provide you with the most accurate quote, we offer the following “PRE-CONTRACT” form to look at. Once we have discussed, and agreed upon, equipment and services, we can present you with a formalized contract for your approval.

At the end of this form is a checklist of responsibilities that the client (YOU) wishes to provide, or wishes TCR Event Management to provide. By completing this checklist, we are able to build the best possible quote for you.

To secure the date in question, TCR Event Management requires a 25% non-refundable deposit. This cost will be calculated on services requested. Many times, for first year events that require TIMING ONLY, this fee will be \$250 (based on 25% of the \$1000 minimum). Once we have an idea of the equipment you require, this base cost may increase.

Our #1 package is our TIMING- BASIC RACE PACKAGE, which covers your basic equipment for timing up to a 100 person registration running race. The list of this package is below, as well as additional equipment that we are able to provide.

Equipment for Timing - Basic Race Package.

Minimum cost of running events is \$1000, for up to 100 registered participants. All additional registrants' cost \$3 each. This package is for TIMING SERVICES ONLY, and includes a Mutual/Start Finish line, timing clock, PA speaker. Any additional services may be requested and agreed on by both TCR Event Management and the Client.

For multisport events, there are additional costs associated and a different timing chip that is utilized. This package is for TIMING SERVICES ONLY. **The Minimum Cost of a Multisport event is \$1500 for 100 registered participants. This cost includes a Bike In/Bike Out mat, Swim In/Run Out mat and Finish mat. Additional split points may be added on for an additional cost.**

Timing

TCR Event Management uses MyLaps BibTag timing systems (Running) and ProChip (Multisport), the very systems used for events such as the Boston Marathon and Ironman events. Each timing system comprises of 4 meters (approximately 13 feet) of reader area to register runners as they cross. One (1) timing mat, 4 meters wide, is included in the Basic Race Package.

Bibs

TCR Event Management will order custom bibs, at no additional cost, and adhere timing chips to the back of these bibs. These bibs will be brought to race site on the morning of the race. **IF A PACKET PICKUP IS SCHEDULED BEFORE RACE DAY, WE MUST KNOW THIS TO BE ABLE TO ENSURE PROPER DELIVERY OF THE BIBS/CHIPS PRIOR TO RACE DAY.**

Results

Results will be available within 10 minutes of being requested by the Client on race morning. An electronic version of the results will also be e-mailed to the client within 24 hours of the conclusion of the race. These results will be classified as PRELIMINARY until all athletes have the opportunity to review the results and remark.

Arches

One (1) arch is **included** in the Basic Race Package price. This arch is a non-branded arch for and we have a 15 foot wide. Additional, unbranded arches, may be available for use at additional locations, should they be requested.

Timing Clocks

TCR Event Management uses LED, single-sided timing clocks at all events. One (1) timing clock is **included** in the Basic Race Package price. Additional clocks may be added for an additional fee (see below for pricing).

PA System

One (1) basic speaker and PA system is **included** in the Basic Race Package Price. Additional units are available for an additional fee. Please keep in mind that there are music license issues with music at events. TCR Event Management can assist you in obtaining the appropriate licensing fee and is not responsible for music played at the finish line.

Additional Services are available. Please choose what you would like for TCR Event Management to be responsible for and we can develop pricing for you. Clients may request a WEEKLY breakdown of hours spent on an event to keep track of spending. Our billing rate is typically \$40 per hour for additional services (marketing, permitting, marking of course).

All events outside of a 50 mile radius of Easton, Maryland **MAY** have a lodging fee and/or mileage added.
